

Directions to Anvil Cottage & Orchard Barn Please note that these directions are the easiest to explain, rather than the shortest!

Also note that whilst our postcode is DE6 5BU, if you put this in your Sat Nav you will end up a mile away (literally), so please use DE6 5BT, which will direct you to Toby's Hill. We are situated at the south western end of Toby's Hill as it joins the B5017, Stubby Lane.

**FROM THE A50 / M1 / M6 / A38 / A515 (Ashbourne)**

If you are arriving from the A50 travelling eastwards (i.e. from Uttoxeter/M6, Ashbourne/A515) - see pic 1, turn right off the A50 onto the A515 signposted Lichfield.

Westwards on the A50 (i.e. from Derby/M1/A38) - see pic 2, turn left off the A50 onto the A515 signposted Sudbury & Draycott in the Clay.

Once on the A515, continue for approx 2 miles (over the river & level crossing) to the next roundabout - pic 3.

Watch out for the SPEED CAMERA! (40 mph), just after the roundabout look for the Roebuck PH on the right and turn right onto Toby's Hill immediately after the pub - pic 4.

Follow this lane, over the speed bumps, round a sharp right hand bend and you will see a tall green hedge on your right - pic 5, at the end of this hedge is the entrance to Anvil Cottage - pic 6. Please turn onto the drive and go through the gateway to the wooded area and park in front of the stables.

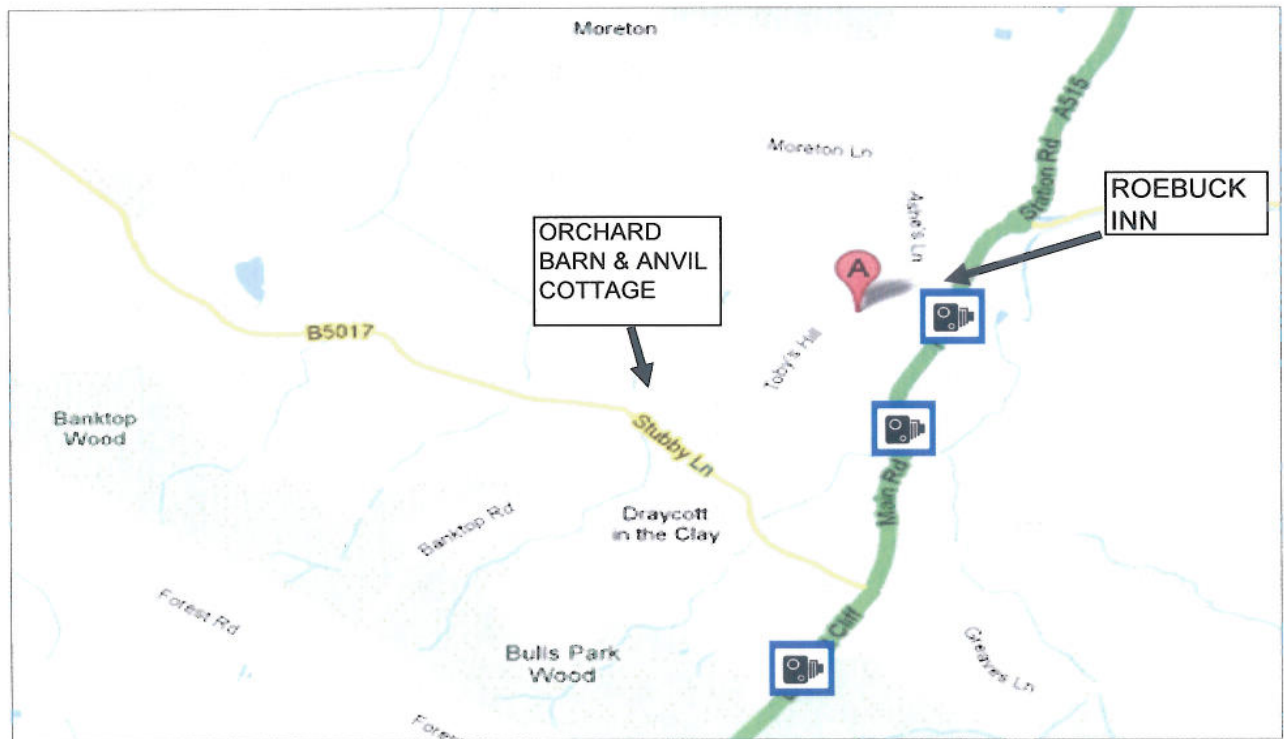

From the A515 Lichfield

Follow the A515 and as you descend down the steep hill into Draycott in the Clay watch out for the SPEED CAMERA! (40 mph). Proceed through the village (PIC 3A). Past 2 more SPEED CAMERA's. Turn left onto Toby's Hill just before the Roebuck - Pic 4A. If you get to the roundabout you've gone too far!

Follow this lane, over the speed bumps, round a sharp right hand bend and you will see a tall green hedge on your right - pic 5, at the end of this hedge is the entrance to Anvil Cottage - pic 6. Please turn onto the drive and go through the gateway to the wooded area and park in front of the stables.

If the gate is locked, the code to get in is 0007

# MAP LOCATION
